Dear Mr. Wainwright;

Congratulations! The New Hampshire State Conservation Committee has awarded a 2020 Conservation License Plate grant to the Town of Atkinson Conservation Commission for the *Town of Atkinson Land Conservation Plan* project. The SCC 2020 grant award amount is \$6,380.00.

Over the next few months I will be working with the lead contact person (as identified in the grant application) to complete a Grant Agreement contract with the Department of Agriculture, Markets and Foods on behalf of the New Hampshire State Conservation Committee. Unless notified otherwise, I will be sending the contact person via email the required documentation. This grant will require approval from the Governor and Executive Council. The targeted date to complete the Grant Agreement approval process is May 2020. Please note that funds are not officially awarded until the Grant Agreement is fully executed by all parties.

Again, congratulations on the award. Please contact me at 603.868.6112 or bluesky24@comcast.net should you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Dea Brickner Wood".
