Subject: Fw: Orr Conservation Land Branch Trails Red

Pete,

Completed the red blazing of the branch trails off the primary (yellow) trail. The Troop 9 scouts did an outstanding job in trail clean-up of the entrance and first loop of the primary trail. There still remains a lot of trail maintenance to be done. The blazing of these trails will provide guidance for this maintenance. In addition, there is an opportunity to create and blaze an additional two loop trails in the future if desired.

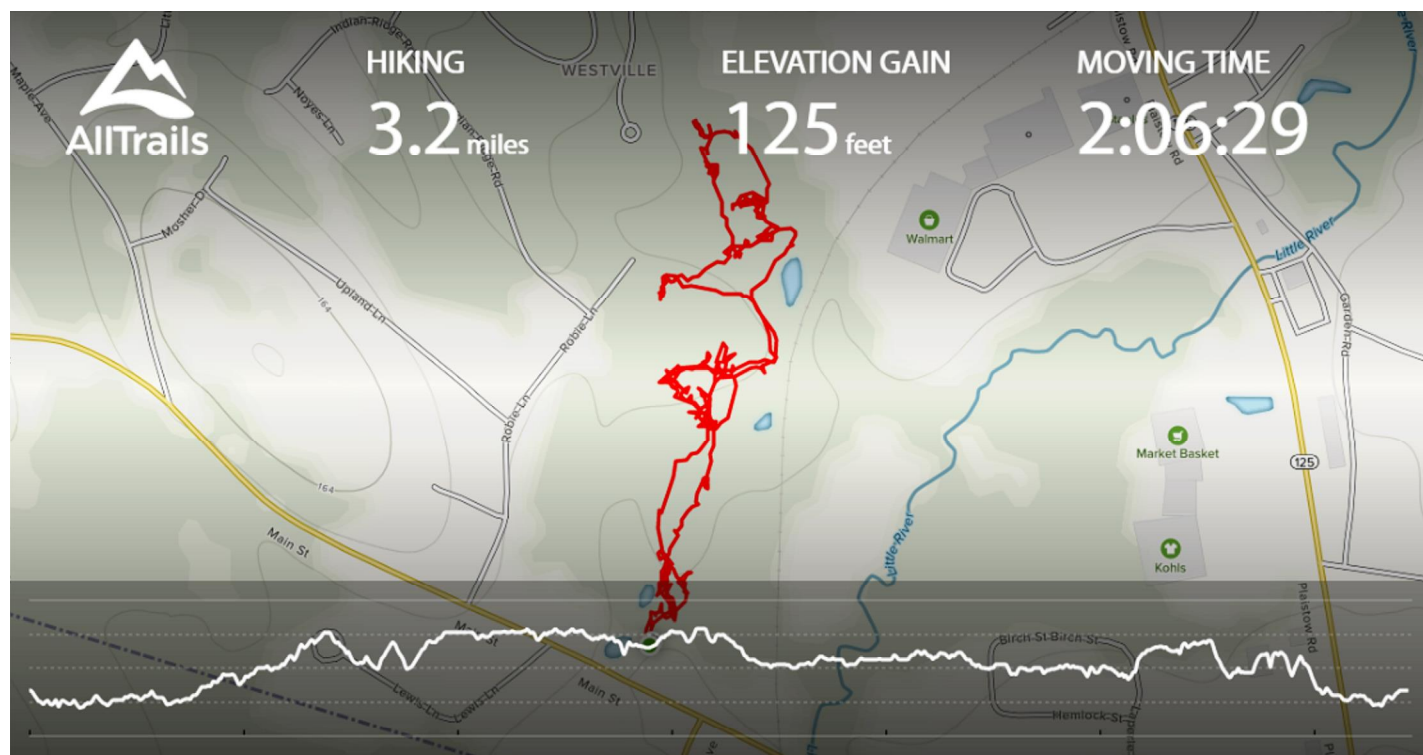

Now, on to the Woodlock Trails of the Pope Road recreation center.

Dennis
