Subject: Fw: Stickney Branch Trails Blue Blazing

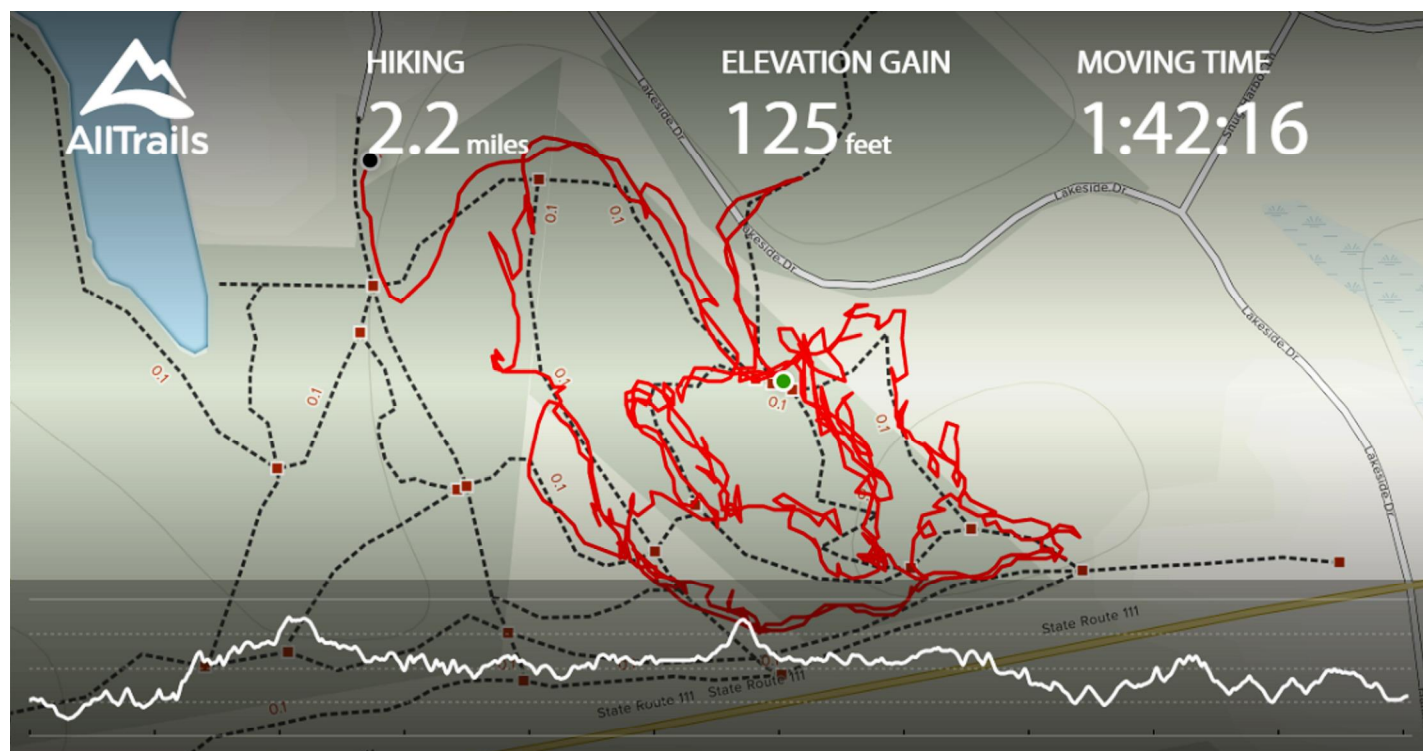

Blue blazing of the Stickney Land branch and secondary entrance trails. Note: There is a connecting trail between Marshall and Stickney Lands as shown crossing Lakeside Dr. that is used by bikers. There is a little bikers bridge crossing a stream where I stopped. I made, as shown, several loops on different sections to see where they ended up before final blazing, checking sight views and angles...did a lot of wandering!!
